

A large, weathered stone pillar stands on a rocky outcrop. The pillar is the central focus, with a valley and hills visible in the background under a cloudy sky. The text is overlaid on the left side of the pillar.

Lettering Weekend year 8 plus

We've planned a special weekend for you. Your programme is completely different from the ones the adults and younger children are doing.

Jered Bolton and Jon Bawdon will be working with you, leading sessions on the theme "The Pillar and Ground of the Truth".

There's plenty of variety over the weekend: study sessions, more informat sessions and time to spend with friends and family. We'll have a copy of your timetable for you when you arrive on Saturday.

Please bring your Bibles! We have a bookshop open during the weekend as well - don't forget to take a look!

On Saturday afternoon there is free time for a few hours. There are no organised activities during this time so you'll have to work out with your friends and family what the best thing to do is. Options include a ramble, a visit to Wicksteed Park or Brigstock Country Park or a trip into Lettering itself.

We're looking forward to seeing you!
